I was asked to leave the room. I am sure it will all get worked out.

No, I just dropped off the line because Heather sent an e-mail saying the General was cancelled. Kim needs to be on, too, so can you guys use the call in number you were supposed to use? Sorry for the craziness, but Kim and I are working at home.

I am in.

Were you made aware that the WD general with the RA was just converted to a Wolverine only briefing? Large RA conference room if you are in. Heather is in the room and can patch you in by phone if necessary. She has her computer.

Hi Beth,

As long as I did it correctly (which I may not have, so please let me know), I should have shared the PFAS site with you as well as the Wolverine folder. Please let me know if you have any questions.

Thank you,
Jenny

Hi Beth,

Kim Harris manages the site and provides the access. I am cc'ing her. I think that Jenny can also provide you with access.

Best wishes,
Heather

Heather, I don't have access to this sharepoint site. Please send me access, if I should have it.

Thanks Chris! I am looking at this now but have placed on SP so that folks can review/edit/comment all in the same document. Please use the link below.
